IMPACT OF COVID-19 PANDEMIC

The outbreak of COVID-19 globally and resultant lockdown in many countries, including in India, has had impact on the business of the Company. Operations of the Company were completely closed from 23rd March, 2020 to 20th April, 2020 due to lockdown. The operations were partially resumed from 21st April, 2020 and capacity utilisation is being gradually increased. The lockdown is partially continuing in 2020-21 and their will be no major adverse impact on working of the Company.

OPERATIONS & FUTURE OUT LOOK

This year has been another tough year for granite, marble & stone industry in India. The Performance of the company remains subdued during the year under review due to implementation of Quartz slab processing unit and sluggish demand in domestic & international market. During the financial year revenue stood at Rs. 3155.44 Lakhs as against Rs. 3656.58 Lakhs in the previous year a decline of 13.71%. The decline in turnover was mainly on account of implementation of Quartz slab processing unit at our existing unit situated at ARAJI No. 1312, Mataji Ki Pandoli Chittorgarh to utilize the idle space. To setup above unit few machineries are

require to be shifted at another area of unit. However the Company expect that productivity and profitability may improve significantly in current financial year due to commencement of commercial production of Quartz Slab which are having huge demand in international Market

Management Discussions and analysis forming part of Directors' Report

The Management of Inani Marbles & Industries Limited is pleased to present the following Management Discussion and Analysis Report which contains a brief write-up on the industry structure, opportunities and concerns, performance of the company with respect to the operations other information. This chapter on Management Discussion and Analysis forms a part of the compliance report on Corporate Governance.

Indian Economy and Industry Overview

India continues to witness economic reforms in terms of tax regime post introduction of new corporate tax rates and subsequent amendments thereof. This tax regime, being very favorable, is expected to result in improvement bottom line apart from the benefits seen from GST which has translated in logistics and faster movements of goods on one side and indirect tax reforms on the other side. The consolidation of global economy continued during the Financial Year 2019-20 and the global economy ended with a lower benchmark with fears of revival of ensuing trade war between the U.S. and China. In spite of global turbulence, the financial year concluded on a reasonable footing but with an overall negative impact on the industry in varied ways. The investors' confidence in this volatile environment was reflected by being bullish and taking an advantage of the correction phase of capital markets during the year under review. And thus, the business growth though subdued is likely to experience good flows in the ensuing times. Infrastructure, high end architectures coupled with real estate development is a must for maintaining such sustained growth and hence is on the highest priority of the Government making it to be the focal point for our economy. Increasing per Capita income resulting due to all round economic high per capita spending affects the sale and off take of our products and we hopefully foresee a bright future in the coming times. The Attack of Covid19 in the country witnessed during the year instilled fear amongst people and its near and subsequent impact needs to be seen as is very uncertain. A vaccine once found will help negate the Covid19 fear and impact and revive Indian economy which will.

Economic Overview

As we write this we enter the third year of the ruling BJP out of its renewed term of 5 years. We believe the government will continue to take very bold and positive steps which shall accelerate the economic growth to higher levels and shall improve ease of doing business and boost the economy. The Indian Economy had turned around dramatically with the real GDP growth rate of 7%, making India one of the fastest growing large economies in the world, but everything got derailed due to the impact of Covid-19 and halted the GDP growth. The World still sees India as a promising economy and expects it to bounce back as soon as the impact of Covid-19 starts fading. The growth in the next financial year is expected to be subdued due to Covid19 impact with predictions for a recovery in the FY21-22 where we could see our early glory returning. The policies of the Narendra Modi Government to transform India through "MAKE IN INDIA" and "AATMANIRBHAR INDIA" initiatives will further yield results with the country emerging as the business hotspot and Foreign Investment destination. We see ourselves as well placed and prepared to seize this opportunity as and when it arises for the growth of our company.

Industry Structure and Development

Real Estate sector and consumer confidence witnessed a complete turnaround with signs of economic stabilization and moderate growth in global economic performance. Property markets in India began to exhibit signs of revival during this time with the return of liquidity in the real estate sector and firm prices in the recent months, cash flows of realty players improved resulting in renewed construction of stalled projects and a few new launches as well. Clearly we believe that we are entering and exciting new phase of development. We are fully geared to take advantage of the buoyant real estate demand which will generate a huge demand for the company's products.

Emerging out of the world economic crisis with only minor bruises, the industry is poised to enter a growth phase and is on the threshold of a major transformation. In terms of demand, Marble, Granite, Tiles & Stones and quartz slab Industry is fortunately placed and this should spur its growth. The Company expect that productivity and profitability may improve significantly in current financial year due to commencement of commercial production of Quartz Slab which are having huge demand in international Market

INDEPENDENT AUDITOR'S REPORT

To the Members of INANI MARBLES & INDUSTRIES LTD.

Report on the Financial Statements**Opinion**

We have audited the financial statements of Inani Marbles & Industries Ltd. ("the company") which comprise the Balance Sheet as at March 31st, 2020, and the Statement of Profit and Loss, Statement of Changes in equity and Statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by Companies Act, 2013 "the Act" in the manner so required, and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind As") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the Loss and total compressive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on the facts and our professional judgment during the audit of financial statements of the current period, We have determined that there are no key audit matters to communicate in our report.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information. We are required to report the fact. We have nothing to report in this regard

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. That Board of Directors' are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves

fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonable knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would be reasonably expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion and to the best of our information and according to the explanations given to us, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, Statement of Changes in Equity and the statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2020 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act, as amended.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the

Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
- ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There are no amounts which are required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure “B” to the Independent Auditors’ Report

Referred to in paragraph 2(f) under ‘Report on other Legal and Regulatory Requirements’ to the Independent Auditor’s Report of even date to the members of Company on the Ind AS financial statements for the year ended 31 March 2020, we report that;

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (‘the Act’)

We have audited the internal financial controls with reference to Ind AS financial statements of Inani Marbles & Industries Ltd. (‘the Company’) as of 31 March 2020 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls with reference to Ind AS Financial Statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to Ind AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the ‘Guidance Note’) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Ind AS Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Ind AS Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Ind AS Financial Statements included obtaining an understanding of internal financial controls with reference to Ind AS Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to Ind AS Financial Statements.

Meaning of Internal Financial Controls with reference to Ind AS Financial Statements

A company’s internal financial control with reference to Ind AS Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for

external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Ind AS Financial Statements includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to Ind AS Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Ind AS Financial Statements to future periods are subject to the risk that the internal financial control with reference to Ind AS Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls with reference to Ind AS Financial Statements were operating effectively as at 31 March 2020, based on the internal controls with reference to Ind AS Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

All other liabilities are classified as Non-Current. Deferred Tax Assets/Liabilities are classified as non-Current.

III. SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all periods presented in the financial statements.

1. Property, Plants and Equipments, Depreciation/Amortization

A. Property, Plants and Equipments

- i) The Property, Plants and Equipments are held for use in production, supply of goods or services or for administrative purposes. They are stated at their original cost net of tax/duty, credits availed, if any, including incidental expenditure related to acquisition and installation less accumulated depreciation. Cost represents all expenses directly attributable to bringing the asset to its working condition capable of operating in the manner intended and includes borrowing cost capitalized in accordance with the Company's Accounting Policy.
- ii) When parts of an item of property, plant and equipment have different useful lives, they are recognized separately
- iii) Item of spare parts, stand by equipment to and servicing equipment which meet the definition of property, Plant and Equipment are Capitalized.

B. Depreciation

Assets are depreciated using straight line method other than mining equipment which are depreciated using WDV method over the estimated useful life of the asset as specified in Part "C" of Schedule II of Companies Act, 2013 after retaining residual value of 5% of original cost. Assets residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets.

Depreciation on additions to/deductions from fixed assets during the year is charged on pro-rata basis from/up to the date on which the asset is available for use/disposed.

Where it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably, subsequent expenditure on a PPE along-with its unamortised depreciable amount is charged off prospectively over the revised useful life determined by technical assessment.

In circumstance, where a property is abandoned, the cumulative capitalised costs relating to the property are written off in the same period.

2. Capital work-in-progress

The Property, Plants and Equipments not ready for the intended use on the date of balance sheet including expenditure incurred pending for allocation is shown as "capital work-in progress".

The cost of self-constructed assets includes the cost of materials & direct labour, any other costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by management and borrowing costs.

Expenses directly attributable to construction of property, plant and equipment incurred till they are ready for their intended use are identified and allocated on a systematic basis on the cost of related assets.

3. Borrowing Cost

Borrowing costs that are attributable to the acquisition / construction of qualifying assets are capitalized as

part of cost of such asset till such time as the asset is ready for its intended use or sale.

Borrowing cost consists of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs also includes exchange differences to the extent regarded as an adjustment to the borrowing costs. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing cost are recognized as expense in the period in which they are incurred.

4. Statement of Cash Flows

Cash flow statement has been prepared in accordance with the Indirect method as prescribed in Ind AS 7 Statement of Cash Flows.

5. Inventories

Inventories are valued at the lower of the cost or net realizable value. The cost of the inventories is assigned by using At Cost Method. Raw Material, Stores & Spares and Packing Materials have been valued at cost. Process Stock is valued at cost, which is determined by taking direct material, labour cost and certain related Factory Overheads, Finished Goods have been determined on full absorption cost basis which includes all direct cost, depreciation etc.

6. Financial instruments

Financial assets and liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks, cash on hand and short term deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in statement of profit and loss.

Financial liabilities

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities

carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

7. Revenue Recognition

Revenue from the sale of goods is recognised upon transfer of control of the goods have passed to the buyer, which generally coincides with dispatch. Revenue from export sales are recognized on dispatch from the factory basis at FOB Price. Revenue from the sale of goods is measured at an amount that reflects the consideration we expect to receive in exchange for those products(i.e. the transaction price). The Company presents revenues net of indirect taxes, ocean freight, returns and allowances, trade discounts and volume rebates in its Statement of Profit and Loss. Inter unit transaction reduced from gross turnover in arriving Net Turnover.

Revenue from Job work services is recognised based on the service rendered in accordance with terms of contract.

The Company recognizes other income on accrual basis. However, where the ultimate collection of the same laps reasonable uncertainty, revenue recognition is postponed to the extent of uncertainty.

8. Impairment of Assets

At the end of each accounting year the carrying amount of property, plant and equipment intangible assets and financial assets is reviewed for impairment. Impairment, if any, is recognized where the carrying amount exceeds the recoverable amounts being the higher of net realizable price and value in use. An impairment loss is charged to Statement of Profit and loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.

9. Taxes on Income

Income tax expense for the year comprises of current tax and deferred tax. Current tax provision has been determined on the basis of relief, deductions etc. available under the Income Tax Act, 1961 and Deferred tax is provided using balance sheet approach on temporary differences at the reporting date as difference between the tax base and the carrying amount of assets and liabilities. Deferred tax is recognized subject to the probability that taxable profit will be available against which the temporary differences can be reversed.

10. Foreign Currency Transactions and balances

- (i) Foreign currency transactions are recorded at the exchange rate prevailing on the date of the transaction.
- (ii) Monetary items denominated in foreign currencies (such as secured loan, receivables, payables etc.) outstanding at the year end, are translated at exchange rates applicable on year end date.
- (iii) Non-monetary items denominated in foreign currency, (such as plant and equipment) are valued at the exchange rate prevailing on the date of transaction and carried at cost.
- (iv) Any gains or losses due to exchange differences arising on translation or settlement are accounted for in the Statement of Profit and Loss.

11. Provisionand Contingencies

The assessment undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions ,Contingent Liabilities and Contingent Assets', The evaluation of the likelihood of the contingent events requires best judgment by management regarding the probability of exposure to potential loss. In case of change in the circumstances the following unforeseeable developments, the likelihood could alter.

12. Employee Benefits

(a) Short term Employee benefits:

All employee benefits falling due wholly within two months of rendering the services are classified as short-term employee benefits. The benefits like salaries, wages, and short term compensated absences etc. and the expected cost of bonus; ex-gratia is recognized in the period in which the employee renders the related service.

(b) Post employment benefits:

i) Defined Contribution Plan

The Company has Defined Contribution plan for post employment benefit namely Provident Fund, which is recognised by the income tax authorities and administered through appropriate authorities.

The Company contributes to a Government administered Provident Fund and has no further obligation beyond making its contribution.

ii) Defined Benefit Plans

The Company has taken a policy with Life Insurance Corporation of India (LIC) to cover the gratuity liability of the employees and premium paid to the LIC is charged to Profit & Loss Account.

(c) Leave encashment

Based on the leave rules of the company, employees are not permitted to accumulate leave.

(d) Termination benefits are recognized as an expense as and when incurred.

13. Earnings Per Share

The earnings considered in ascertaining the Company's Earnings per share ('EPS') comprise the Total Comprehensive Income. The number of shares used in computing the Basic EPS is the weighted average number of shares outstanding during the year. The diluted EPS is calculated on the same basis as Basic EPS.

14. Dividend distribution to Equity Share holders

Dividend distributed to Equity Share holders is recognized as distribution to owners of capital in the statement of changes in Equity in the period in which it is paid.

15. Cash and cash equivalents

The Group considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be called cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

16. Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments recognized by the Group are recognized at the proceeds received net of direct issue cost.

17. Estimation of uncertainties relating to the Global Health Pandemic from COVID-19

Estimation of uncertainties relating to the Global Health Pandemic from COVID-19. The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, and inventory. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information including credit reports and related information, economic forecasts. The Company has performed sensitivity analysis on the assumptions used and based on current estimates expects the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements
